Cllr Cheeseman and Cllr Beswarick also emphasised once again the importance of getting information to those who are not on social media.

13. EVENTS PLANNER BLUEPRINT

Members noted the idea to create a blueprint for each Council led event in the town. It was hoped this would assist with organisation of the events to enable officers to spread workloads. Members also felt it was important to identify other key non-Council led events each year to avoid clashes.

14. THE QUEEN'S PLATINUM JUBILEE

It was **AGREED** to form an organising Committee for the Jubilee Celebrations. The event would not be Council led but a community initiative. Cllr Nigel Corbett from Beaminster Town Council would oversee the event along with assistance from Cllr Craig Monks. A meeting would be set up with Community Groups who had already shown an interest. Additional admin support would be available from the Council Officers however they would not be responsible for coordinating the event.

Members developed an outline of events as follows:

Thursday 2nd June: Beacon Lighting Ceremony

During the evening of Thursday 2nd June beacons would be lit across the Country to kick start the celebrations of the Queen's 70th Year as our Monarch. It was suggested that a community group/organisation such as one of the schools or The Scouts may be interested in organising this event. The Town Council had details of the type of Beacons available.

Friday 3rd June: Church Service

The Church had informed officers that they would hold a Church Service at St. Mary's to mark the occasion.

Saturday 4th June: Party at Parnham

Initial conversations with the team at Parnham House outlined ideas for a possible family afternoon hosted by Parnham House.

Sunday 5th June: Street Party in Beaminster Square

A Street Party Lunch in the Square with a band, food stalls, a bar and full road closure of the A3066. Residents could also bring their own picnics should they wish to. The event would require a First Aider and Road Marshals. It was envisaged the event would finish at 5pm.

This year the theme would be red, white and blue to tie in with the Jubilee theme.
